

**The Avon Roach Project
& Barbel Society
Annual Fund Raising Event**

Fellow Angler,

Last year, to celebrate its illustrious past and in an endeavour to try to help secure its future, The Barbel Society, in alliance with The Roach Club, held what we hoped would become an annual fund raising event to help finance conservation work on the Hampshire Avon.

The day was an unmitigated success, well almost anyway, and the proceeds were equally divided to help finance Avon based research and conservation programmes by the Barbel Society and the Avon Roach Project, whose aspirations are to return and maintain a self-sustaining roach population to the rivers middle reaches.

As a result of its success, the event is to be held again this year. Somerley Estate will play host once more to a friendly fishing match to the death between the hours of 10 a.m. and 6:00 p.m. on the 18th September 2010. Guests will be asked to convene at 9:30 a.m. in Somerley Lake car park number one.

The friendly match to the death will be followed by a 3 course evening meal at the Tyrrell's Ford Hotel at 7.00 p.m. for 7:30 p.m.

We must not forget that this is a fund raising occasion, and a post dinner auction of approximately 50 excellent lots will follow, so please don't forget your cheque-book and loads of cash.

A cost of £50.00 per head will include your entry to the match, dinner, a chance to bid on some excellent items, plus an invitation, for those who want to make a weekend of it, to also fish the Somerley Estate on Sunday. Car stickers and maps will be issued to all guests.

If you would like to join us on the 18th of September or know of someone else who might, please reply to us using the attached reply form to the above postal or e-mail address and we shall write to you with full details in due course.

Perhaps you would like to donate an auction item or raffle prize yourself.

Thanking you in anticipation.
